*Redeem Fuel Rewards® savings with your Fuel Rewards® card or Homeland® One Rewards Card at participating Shell stations. Fuel Rewards® savings are limited to 20 gallons of fuel per purchase, per vehicle, or fraud limits placed by Shell and/or limits placed on their payment card by their financial institution, each of which may be lower. Once you begin to dispense fuel using your Fuel Rewards® savings, you must dispense to the gallon limit or you forfeit any remaining reward balances. For example, if you only pump fifteen (15) gallons of fuel, when the gallon limit was twenty (20) gallons, you would abandon the remaining five (5) gallons worth of Reward balance. If you have a rewards balance greater than the current per-gallon price of fuel, the price will roll down to the maximum capability of the fuel equipment, and your remaining rewards balance will be saved for a future fuel purchase. To learn more, visit fuelrewards.com or call (888) 603-0473. It may not be possible to combine multiple discounts and/or rewards in a single transaction. Dispenser may require a price of up to 10.9 cents per gallon. For purchases of \$75 or more, please go inside to pay. Unbranded diesel and alternative fuels may not be eligible.
