

LOUISIANA YOUTH SEMINAR SPONSORED BY SHELL DEER PARK
PARENTAL AWARENESS FORM

Dear Parents/Guardians,

As a reflection of our commitment to leadership development at site, Shell Deer Park Manufacturing Site is offering four sponsored spots to the 2018 Louisiana Youth Seminar (LYS) to students living in Deer Park, Pasadena and La Porte communities. LYS is a week-long leadership camp held on the campus of Louisiana State University July 15-20, 2018.

During LYS, students go through a series of skill building exercises focused on leadership. Through a series of hands on experiences, they use their newly developed skills in a group setting to discover that leadership is not merely a matter of position or authority, but a matter of action. Students are encouraged to make a difference and to apply their knowledge and experience in their schools and communities. LYS is specifically designed for incoming high school juniors and seniors (and sophomores who are up for the challenge) who demonstrate leadership abilities in their schools and communities. Students come to LYS in a variety of ways: selected by their schools or community or corporate leaders, sent by their parents, recruited by past LYS participants, and by LYS friends and family.

To apply for one of the 2018 Shell Deer Park sponsored spots, your student will need to complete an essay (details provided separately) and you and your student will need to sign the acknowledgement form below. If selected through this application process, Shell Deer Park will sponsor your student for the full value of the camp - \$600. Your acknowledgement below indicates your commitment to arrange travel to get your student to the camp, as this is not provided.

Thank you for your interest in this wonderful program and best of luck to your student!

Sincerely,

Amanda Accardo
External Relations Manager, Shell Deer Park
