# Shell Gasoline

<sup>†</sup> Active Gold Status required. See [fuelrewards.com/gold](https://fuelrewards.com/gold) for details. At participating Shell stations only. Limit 20 gal.

<sup>‡</sup> Subject to credit approval. New accounts only. Terms and Conditions of the Shell | Fuel Rewards® Credit Card rewards program apply. Purchases made at locations that sell non-Shell branded fuel are not qualifying purchases and rebates are not earned on those purchases. It may not be possible to combine multiple discounts and/or rewards in a single transaction.

# Shell Gasoline helps you go further!\*

With more than twice the cleaning agents required by the Environmental Protection Agency, all three grades of Shell Gasoline help improve your vehicle's fuel economy by actively cleaning and protecting critical engine parts from performance-robbing gunk.

## Shell Gasoline is engineered to provide:

### Improved Fuel Economy

Shell Gasoline is scientifically proven to help improve your mileage by actively cleaning and preventing engine deposits.\*

### Unbeatable Protection

No other gasoline does a better job of protecting critical engine parts against deposits. All three grades of Shell Gasoline provide unsurpassed protection against engine gunk!

### Optimal Performance

Shell Gasoline acts like a barrier that shields and protects engines from performance-robbing gunk, so your engine can perform at its best.

Lower Quality Gasoline

Shell Gasoline

Shell Gasoline is certified TOP TIER™, a higher standard for engine cleanliness and performance set by auto manufacturers.

\*Compared to minimum detergent gasoline. Measured using industry standard and Shell proprietary tests. Helps to protect key fuel system components such as intake valves from the build up of performance robbing deposits. Actual effects and benefits may vary according to vehicle type, driving conditions and driving style.
